User Ready

Flat Ground

- S:Silver
- B:Black
- BC: Black Premier (Black Contact PV module)

- Solid, resistant to wind and snow pressure
- Pre-assembled, User Ready
- Equipped with standard microinverter and AC extension cable to facilitate multi-system expansion
- Adjustable angle, greater power generation
- Output power 400W/800W, can be adjusted according to local regulations
- Built-in WiFi, APP remote monitoring

- **TSOL-ESK400-P**
- On the Ground(Ready to use)
- Microinverter MS400
- 5m End Cable
- Black Bracket
- 405W Full Black Panel)
